We are utilizing a U.S. Securities and Exchange Commission rule that allows companies to furnish their proxy materials over the Internet rather than in paper form. We believe that this delivery process will reduce our environmental impact and over time lower the costs of printing and distributing our proxy materials. We believe that we can achieve these benefits with no impact on our stockholders’ timely access to this important information. If you have received our Notice of Internet Availability of Proxy Materials (the “Notice”) and you would prefer to receive proxy materials (including a proxy card) in printed form by mail or electronically by email, please follow the instructions contained in the Notice.

Whether or not you plan to attend the Annual Meeting, please vote your shares as soon as possible by telephone, via the Internet or by completing, dating, signing and returning a proxy card (as instructed in the Notice) to ensure your shares are voted, or, if you hold your shares in street name, by following the instructions provided by your bank, broker or other financial intermediary. Submitting your proxy now will not prevent you from voting your shares at the Annual Meeting if you desire to do so, as your proxy is revocable at your option.
